## Welcome!

Welcome to SwimTopia! It has been our pleasure to work with NVSL teams since 2012, and now we are thrilled to provide a league-wide solution for team and meet management, mobile app, and league integration.

We're here to help you get started with the full platform for 2026. See the sections below for:

- **Shared Waivers on Registration Forms**
- **Shared Roles**
- **Schedule Import for A Meets**
- **B Meets**
- **SwimTopia Training**
- **Meet Maestro Training**
- **SwimTopia Mobile App**

---

## Shared Waivers on Registration Forms

NVSL has added the NVSL Participation Waiver as a Shared Acknowledgement Section, which should appear on all new registration forms. ***Please ensure the NVSL Participation Waiver is added to all registrations for NVSL programs*** (you can remove it for non-NVSL programs, such as clinics or lessons).

## Shared Roles

You will see Roles with a blue "NVSL" badge, including Team Rep, Team Data Coordinator, Officials, and more. Please assign the appropriate people to these roles (and delete any duplicates on your site). This is how NVSL can communicate with people in these roles across the league.

## Schedule Import for A Meets

SwimTopia will upload all of NVSL's A meets to your sites, no later than mid-March. Once that's completed, NVSL will send an email with further instructions.

If you need to add A meets to your schedule beforehand so you can begin collecting volunteer signups, you can go ahead and add those meets to your calendar. When SwimTopia uploads the meet schedule, the imported meets will be merged with the meets that are on your site (as long as the dates match, and as long as they're set up as swim meets and not as social events).

## B Meets

**B Meet League Coordinators:** Please send the B meet rules and meet format for your league to Michelle Hale at [michelle.hale.swim@gmail.com](mailto:michelle.hale.swim@gmail.com) no later than March 8.

B Meet League Coordinators can send their B meet schedule to SwimTopia, and we can upload those meets for you. Please follow the detailed instructions in our Help Center: [Importing Your League Meet Schedule](#).

## SwimTopia Training

SwimTopia offers many options to learn more about their team management platform:

- [Workshop Webinars](#) – See the schedule of upcoming training webinars, along with recordings of past webinars. Topics include Website, Registration, Volunteering, and Meet Entries, and more. See: ➔ [swimtopia.com/workshop-webinars](https://swimtopia.com/workshop-webinars)
- [YouTube Channel](#) – You'll find short video tutorials to guide you through dozens of topics. See: ➔ [youtube.com/c/SwimTopia](https://youtube.com/c/SwimTopia)
- [Help Center](#) – In-depth knowledgebase with step-by-step instructions, screenshots, videos, and more. See: ➔ [help.swimtopia.com](https://help.swimtopia.com)

## Meet Maestro Training

SwimTopia will provide in-person training for Meet Maestro at NVSLU on May 30, from 8:00 - 10:00am. This will be a hands-on interactive training session, so bring your laptops!

SwimTopia will also provide a virtual training option the following week, on June 3 from 7:00 - 9:00 pm. More information will be sent in May, along with other training info (no registration will be needed in advance). Stay tuned for more details!

## SwimTopia Mobile App

Encourage your parents to download SwimTopia's mobile app. With SwimTopia's free features, parents can: receive team alerts, view the team calendar, declare meet availability, sign up to volunteer, access post-meet results, and view their swimmer's time history.

With a Pro subscription, parents can stay in the loop on meet day, with access to heat sheets and estimated start times (with a live, adaptive timeline), upcoming swim reminders, results notification alerts, and live results and team scores.

## Here's to a Great 2026 Season!

We're so delighted to work with NVSL to provide an all-in-one platform for team and meet management. As you get started with the new season, you'll find information in our [Help Center](#).
